PHILADELPHIA & LAS VEGAS--(BUSINESS WIRE)--Jan. 8, 2025-- **Caesars Entertainment, Inc.** (NASDAQ: CZR) ("Caesars") today announced the launch of its first branded online casino live dealer studio for players on Caesars Palace Online Casino, Horseshoe Online Casino and Caesars Sportsbook & Casino in Pennsylvania. Made possible through Caesars' partnership with Evolution Gaming, Caesars' marquee online casino platforms in the Keystone State now offer an immersive live dealer experience reminiscent of the energy and grandeur of the Caesars Palace Las Vegas gaming floor.

The new Philadelphia-based studio comprises five blackjack tables, including a VIP-exclusive blackjack table, one roulette table and one baccarat table, offering something for all players. Each table features a custom felt with imagery and branding from the iconic Caesars Palace and Caesars online casino brands, including Caesars Palace Online Casino, Horseshoe Online Casino and Caesars Sportsbook and Casino. Select tables also feature custom felts co-branded through partnerships with professional sports leagues. The VIP-exclusive blackjack table creates true 1-to-1 live high-limit blackjack that could previously only be had inside a casino.

"Creating a fully customized live dealer studio with our partners at Evolution has heightened the user experience on our online casino platforms by providing a Las Vegas Strip-style experience directly in the palm of our players' hands," said Matt Sunderland, Senior Vice President and Chief iGaming Officer at Caesars Digital. "We've taken inspiration from the iconic designs at Caesars Palace to complete this world-class studio in Pennsylvania, from the legendary Julius Caesar statue down to flooring patterns and wall coverings at the destination. The result is an aesthetically unmatched live dealer experience that pays homage to our renowned brand."

"Evolution is excited to take our partnership to the next level by providing a unique live dealer studio dedicated to the Caesars brand in our Philadelphia headquarters," said Jacob Claesson, Chief Executive Officer at Evolution North America. "By combining our cutting-edge technology with the unmistakable Caesars brand, this dedicated studio will deliver the elegance and thrill of Caesars Palace to online players in Pennsylvania. The new studio is truly stunning and showcases the incredible potential of live dealer casino gaming. We are extremely happy and proud to support Caesars in their efforts to elevate their player experience and continue to raise the bar for online casino entertainment."

Caesars Palace Online Casino, Horseshoe Online Casino, and Caesars Sportsbook & Casino are available on iOS, Android, and desktop for those 21 and older in New Jersey, Pennsylvania, Michigan, Ontario, and West Virginia. Each platform offers a dynamic online casino experience with a range of unique Caesars-branded games alongside hundreds of classic land-based casino favorites and core casino game mechanics, including high limit slots, private live dealer tables, linked progressive jackpots, variations of poker and roulette, and more.
