Developed by Empire Creative™, the debut slot reinforces Caesars' ongoing commitment to creating original digital content across its online casino platforms

LAS VEGAS--(BUSINESS WIRE)--Feb. 18, 2026-- Caesars Entertainment, Inc. (NASDAQ: CZR) ("Caesars") today announced the debut of *Ca\$hline*, a new three-reel stepper slot created by Empire Creative™, the Company's in-house game development studio. Now live exclusively across Caesars Palace Online Casino, Caesars Sportsbook & Casino, and Horseshoe Online Casino in New Jersey, *Ca\$hline* marks a significant milestone as Empire Creative's first original slot title and continues Caesars' momentum in proprietary content development.

Designed for players who want greater control and engagement from every spin, *Ca\$hline* introduces a fresh take on the classic stepper slot experience. Built on Empire Creative's new "Land It, Win It" format, the 3-reel title allows players to wager on Reel 1, Reels 1 & 2 or all three reels, unlocking additional features and expanded win potential as all three reels are activated. This flexible structure lets players tailor pacing and overall gameplay style to match their preferences in real time.

Ca\$hline's player-forward features also include:

- **2x Multiplier on Reel 3** that doubles visible wins when all reels are active
- **Reverse Respin**, giving players a second chance on near-miss outcomes
- **Wheel Bonus** that can award credits, jackpots or trigger the *Ca\$hline* Feature
- **A clean, modern presentation** that blends classic stepper gameplay with customizable settings for a comfortable play experience

With this launch, *Ca\$hline* joins the expanding roster of proprietary titles, including Caesars' Signature series of online table games, including *Signature Blackjack*, *Signature American Roulette*, and *Signature Baccarat*.

"*Ca\$hline* is built to give players simple, meaningful choices every time they play," said Matthew Sunderland, Senior Vice President and Chief iGaming Officer at Caesars Digital. "The team has created a streamlined, player-driven experience anchored by choice, control and fresh mechanics that respect the classic stepper format."

"By blending familiar three-reel gameplay with features like Reverse Respin and our 'Land It, Win It' format, we've created something approachable for casual players and exciting for slot enthusiasts looking for meaningful decision-making," added Scott Krell, Senior Director of Game Products and Head of Studio at Caesars Digital. "*Ca\$hline* shows what our studio strives to achieve, familiar gameplay elevated by thoughtful features and design clarity."
