About Alex Warren

After years of grinding to be heard, GRAMMY® Award-nominated multiplatinum Southern California artist Alex Warren launched himself into the stratosphere with "Ordinary." The 7x-Platinum single made history. Beyond holding #1 on the *Billboard* Hot 100 and Global 200 EX US chart for 10 weeks and #1 on the UK Songs Chart for 13 weeks, it concluded the year as "the top-selling song of 2025." Moreover, it logged a record-breaking 16 weeks at #1 on US Pop Radio, achieving "the longest reign ever on the chart."

Most importantly, it paved the way for his Platinum-certified full-length debut LP, *You'll Be Alright*. It bowed in the Top 5 of the *Billboard* 200 and yielded a procession of Hot 100 hits, including "Eternity," "Bloodline" [feat. Jelly Roll], "On My Mind" [feat. ROSÉ], and "Burning Down" [with Joe Jonas] driving over 11 billion streams across his catalogue to date. Along the way, he lit up the stages of the *American Music Awards*, *MTV VMA*, and GRAMMY® Awards as well as *The Tonight Show Starring Jimmy Fallon*.

Beyond unforgettable performances with Ed Sheeran at *Coachella* and Jelly Roll at *Stagecoach*, he headlined sold-out arena tours worldwide. Long before the broken records, scores of awards, and earth-shattering success, Alex was affectionately known to his late father as "Wildchild." He did anything he could to defy gravity. He scaled the tallest trees possible, or he'd vault through the air across the playground. In 2026, there's still nothing that can keep him on the ground. He's quietly beaten the odds, penned life-changing songs, and found a place in the hearts of millions worldwide.

Now, the GRAMMY® Award-nominated multiplatinum artist tells his story on his aptly titled second full-length offering, *WILDCHILD* [Atlantic Records]. Musically, it bursts through the clouds with sky-high pop hooks, widens the aperture with cinematic soundscapes, and recharges spirits with the raw energy of a songwriter with nothing to prove and only truth in his heart.
